History of Lantern Making

Lanterns are believed to have originated in ancient China over 2,000 years ago during the Han Dynasty (206 BCE to 220 CE). Initially, they were made of bamboo frames covered with paper or silk. These lanterns were often used for religious and ceremonial purposes and symbolised the hope for a bright future.

Program Details

Introduction to Lantern Making:

Learn about the history and cultural significance of lanterns from around the world.

Materials and Tools:

Paper, natural fibres, bamboo/cane frames, and various recycled, organic, and decorative materials.

Design and Inspiration:

Get inspired by a range of lantern design ideas and themes. Create a traditional lantern or let your imagination run wild.

Creative Freedom:

Workshops in Wonderment encourage individuality and creativity. Choose your own colour schemes, shapes, designs, and decorative elements.

Assemble and Illuminate:

Witness the transformation of your creation as it comes to life with LED lights.

Sharing:

At the end of the session come together to share experiences, and connect with fellow illuminators.

Take-Home Lantern:

Leave with your magical lantern, a symbol of creativity, light and joy.

About WildHoney

WildHoney was born out of the Otways in 2017. It is a small, magical, humming hive of creatives that produces highly visual and interactive acts for street theatre, workshops in wonderment and outdoor performances. Each member brings a unique and high level of skills, and together they share a deep commitment to creating wild beauty and manifestation of the divine. WildHoney was founded by creatives Eloise Wood and Hoya Wolfgang and has become a unique brand and wonderful way to showcase and develop the talent of the Otways.
